Notice Concerning Acquisition of 2026 KENKO Investment for Health by the Asset Management Company

Fukuoka REIT Corporation (FRC) announces that Fukuoka Realty Co., Ltd, the asset management company to which FRC entrusts the management of its assets, has been certified with the "KENKO Investment for Health 2026 (Small and Medium-sized Enterprise Category)" under the 2026 KENKO Investment for Health Program as of March 9, 2026.

1. Regarding the KENKO Investment for Health Program (Ministry of Economy, Trade and Industry)

The KENKO Investment for Health Program is a program that recognizes large enterprises, small and medium-sized enterprises, and other enterprises that practices excellent health and productivity management based on initiatives addressing regional health issues and health promotion initiatives promoted by the Nippon Kenko Kaigi (Japan Health Council) (Note).

For more details, please refer to the following link to the Ministry of Economy, Trade and Industry's website:
https://www.meti.go.jp/english/press/2025/0818_003.html

(Note) Established in Japan, where declining birthrate and aging population are rapidly progressing, this organization collaborates with private organizations to conduct activities with full governmental support regarding the extension of healthy life expectancy and appropriate medical care for each citizen.

2. Health and Productivity Management Initiatives at the Asset Management Company

As part of its initiatives for health and productivity management, the Asset Management Company actively supports the maintenance and promotion of the health and safety of its employees.

This specifically includes the implementation of policies such as maintaining a 100% participation rate for regular health checkups and comprehensive medical examinations, follow-up medical consultations by occupational physicians based on health checkup results, introduction of health promotion programs, implementation of dietary improvement measures, and implementation of infectious disease prevention measures.
